moTion freestanding column system

FCS-12XL

- Ergonomically designed, with the moTion freestanding stand you have the possibility to adjust the height of the screen to your own wishes
- The extra large floorplate enables freestanding placement of the touch monitor. Perfect for situations where mobile set-up is not necessary and where you don't want to mount a column system to a wall
- The stand comes largely preassembled and is very easy to mount (<10 minutes), while remaining easy to transport
- The built-in anti-collision system offers protection for persons and objects that might find themselves within the range of the moving screen
- High quality LINAK® lifting columns makes height adjustability fast and effortless
- The cable compartment hides messy cables and multi sockets resulting in a neat and tidy setup
- Contemporary design that fits perfectly in any modern office space or classroom
- Completely freestanding mounting solution
