

e-Screen side panel enamel steel 86inch V30 2pcs

- Combine the use of an (e)-screen with the ease of a real whiteboard by adding side panels to your screen
- Pick up a marker and start drawing, sketching or writing during your presentation or lesson
- You are able to mount 2 side panels to your screen which allows you to have a large writing surface solution in the center of your room
- The side panels are available in high quality lacquered steel and enamel steel writing surface
- Because the side panel frame is height adjustable it will fit on many mounting solutions and screens
