

Article data sheet

Highlights

- Electrical height-adjustable column system
- Gyroscope anti-collision system
- VESA 200×200–800×600
- 5 years of warranty on entire solution
- TÜV certified
- Easy to assemble

MOTION EASY column system

electrical height adjustable

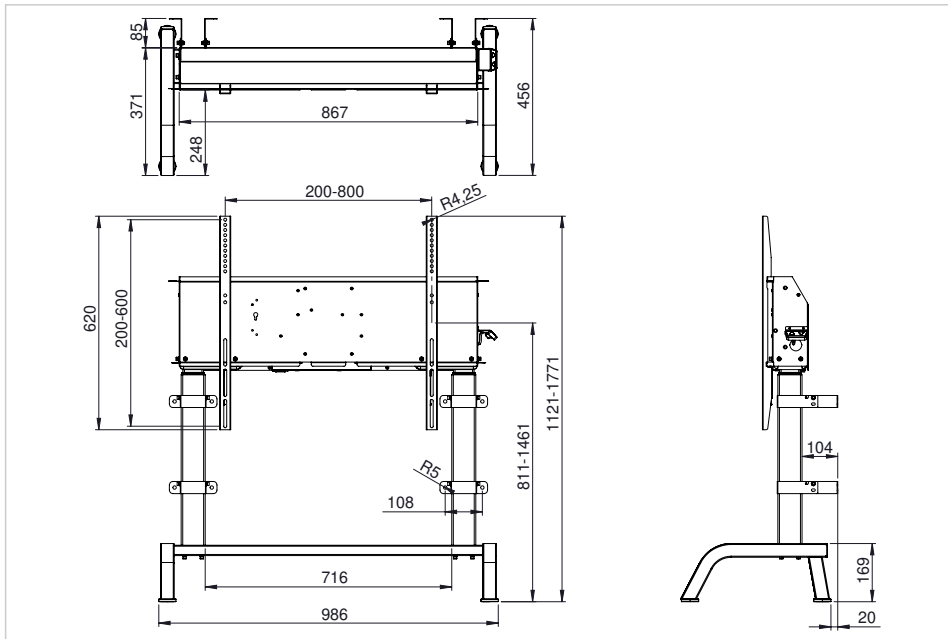

- Designed for use in combination with screens between 55-98"
- Built with high safety measurements in mind: Built-in anti-collision system offers protection for people and objects that might find themselves within the range of the moving screen
- Robust design owing to the wide stance of columns
- Ideal for use with side panels
- Optimal package design ensuring excellent protection of the product
- Delivered in one box – easy to set up assembly kit
- Also compatible with non-Legamaster screens

Art.No. **7-815211**

GTIN **8713797118576**
